

MICHELE THOMSON

HEALTHCARE LEADERSHIP EXPERT PROFESSIONAL BIO

Michele is a Registered Nurse with a Gerontology Specialist Certification with more than 25 years of clinical, strategic and operational experience within seniors care. She specializes in leadership and has partnered with stakeholders in the private and non-profit sectors and has worked with First Nations in British Columbia. Michele supports leaders to develop skills founded in the basics of human connections which build trust, lead change and create respectful workplaces where shared values lead to exceptional outcomes. Michele's unique expertise is to support leaders to improve employee engagement implementing her P.E.R.S.O.N. Centred Leadership Approach™. Michele empowers her clients to challenge the status quo and become employers of choice. Michele has developed curriculums in person and virtually to long term care homes.
